

70-Day Study & Mock-Test Plan

J&K Police Constable (Executive / Armed / IRP / SDRF) · 207 mock tests · 10,350 questions · Exam on Day 70

Paper: 100 MCQs · 1 mark each · 100 marks · 120 minutes · no negative marking prescribed.

Blueprint: A General English 25 · B GK & Current Affairs (India) 25 · C GK — J&K 10 · D Numerical and Reasoning Ability 25 · E Basic Concepts of Computers 15.

Daily routine: Revise the topic(s) listed for the day, then attempt that day's tests in order: Morning, Afternoon, Late.

Finding the test file: The Test # column is the file's name prefix. Test 046 is the file 046_test_A_...json. Only one file begins with a given three-digit number, so scroll to that number and you have the right test.

Difficulty: foundation = easy-tilted · standard = blueprint · advanced = hard-tilted · exam = full-length simulation. Every section is pitched at 10+2 level — difficulty means more steps and subtler distractors, never higher theory.

Sec column — A General English · B GK & Current Affairs (India) · C GK with special reference to J&K · D Numerical and Reasoning Ability · E Basic Concepts of Computers · FULL all sections together

Phase 1 — Foundation (Topic-wise Building) · Days 1–35

3 tests every day — Morning 30Q · Afternoon 40Q · Late 50Q. Subjects are interleaved so no subject goes cold. Difficulty starts at foundation (easy-tilted) and moves to standard from Day 17. Every 7th day the late session is a cumulative revision of that week's topics.

Day	Test #	Session	Sec	Topic / Focus	Q	Difficulty	Type	Done
1	001	Morning	A	Articles & Clauses	30	foundation	Topic-wise	
1	002	Afternoon	B	Important Dates in Indian History/Freedom Struggle	40	foundation	Topic-wise

Day 70 — Exam Day

No new mock test. Light revision of formula sheets, current affairs, J&K facts, and previously-marked weak points only. Reach the exam centre early, stay calm, and — since no negative marking is prescribed — make sure no question is left unattempted.

Key Tips

1. Focus heavily on D — Numerical & Reasoning (25 marks) and B — GK India (25 marks) as they carry the highest weightage.
2. For GK J&K (10 marks): Focus on rivers, lakes, history, RTI Act, and Indus Water Treaty — these are frequently asked.
3. Computer section (15 marks) is scoring — MS Word, MS Excel shortcuts, and internet terms are easy to memorize.
4. Practice at least one full-length mock every week from Day 39 onwards to build exam stamina.
5. Maintain a separate 'Error Log' — note every question you get wrong and revise it weekly.
6. For Current Affairs: Read daily newspapers (Greater Kashmir, Rising Kashmir) and follow J&K-specific updates.
7. Time management in exam: Spend ~30 sec per question. Do easy ones first, mark difficult ones for review.
8. Since no negative marking is prescribed — make sure no question is left unattempted.
9. Sleep 7–8 hours daily. Burnout will hurt more than extra hours of cramming.
10. On exam day: Carry all documents, reach early, read each question twice before answering.
